SUBJECT: Application for Correction of Military Record [REDACTED]

From our investigation of the facts surrounding this case, the member was going PCS to California, but his military flight was canceled due to inclement weather. Due to an urgent medical appointment for his son, who was already in CONUS, [REDACTED] turned in his military ticket and purchased a commercial ticket [REDACTED] should have been directed to the Traffic Management Office for his commercial ticket and not the leisure travel office. However neither his orders nor the passenger service representative accomplished this, Recommend the orders be corrected to state "Self Procurement of Commercial Airline Tickets Authorized", and that the member be reimbursed for his actual expenses up to the government rate.
